Did anyone let you know that Erin's last name is Koch?

Good morning, everyone,

Please let me know if you would like me to send the document to OGC, copy RD and BEAD BCs, and blind copy authors.

May I please have Erin's last name? I don't remember what it is.

I'd suggest we copy RD (and the authors/BCs too) when we send it to OGC. Mark, did you already send? If not, Rebecca can send to Erin and copy the team. Thx.

What's the plan for sharing a draft with RD?

Thank you, that clarification helped me see the confusion here.

Ex. 5 Deliberative Process (DP)

Erin is out today. So, it won't get looked at by OGC until next week. Perhaps we can talk about language that we both can live with early next week.

I see. That did not come across when I read it. How about something like this:

Monisha,

Here's the document. I saved a new version and cleaned it up to send to OGC.

Our sentences are not consistent. I wanted to convey

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Mark

I added a couple more thoughts to the document (using the link in the 10:57 email below). I don't see Mark's sentence there so here is my suggestion...keeping it simple:

Ex. 5 Deliberative Process (DP)

I was hoping to take advantage of the 2 hour early dismissal today. However, I will stay put until the aldicarb doc is in a "good place."

If I don't hear from you by 2 pm, I will head out.
Please let me know how I might help. Call anytime.

I think that the alteration is fine. Thank you! Monisha is copied here so she can see the change to the last sentence of the conclusion. (Monisha, here is the link that you need.)

Rebecca,

I had sharepoint issues with the document. When you are done, can you save it as a new version and send it to me for another read through?

Thanks,
Mark

Mark and Kimberly,

I am addressing newer comments in the aldicarb document. I *should* be finished with them pretty soon (within the hour).

May I ask about next steps? Is the goal to send this to RD and OGC by close of business today? I am in the office until 4 pm

As a "newbie" I am uncomfortable resolving the document without first speaking to someone.

Please advise at your earliest convenience.
